Claymore – Dark Side of the Moon

Brief Tasting Notes

Appearance:

Rich purple/black

Bouquet:

Heady aromas of rich, dark fruits with a touch of violets and blueberries wrapped up in leather and gentle spices.

Palate:

This is a big, full-flavoured red wine showing primary berry fruit sweetness on the front palate with some savoury, charry oak all held together by a firm tannin structure that will soften with time in the bottle. This dry-grown Clare Valley Shiraz retains great natural acidity that holds this wine in balance.

Specific Details

Composition:

100% Shiraz

Vintage:

2007

Region:

Clare Valley

Alcohol Content:

15%

pH:

3.38

TA:

7.34g/l

Closure:

Screwcap

Winemaker:

David Mavor
