Claymore – Walk on the Wild Side

Brief Tasting Notes

Appearance:

Bright purple with blue black hues

Bouquet: Wonderfully youthful and fresh bouquet of plum fruit, blueberries and spice with that tell-tale floral lift that Viognier contributes.

Palate: This medium bodied wine shows concentrated flavours on the front palate; some jammy fruit with fresh berries and plums complemented by some gentle saw-dusty oak. The tannins are quite smooth and integrated and a touch of stone fruit and sweet spice lingers on the finish.
