## Claymore – Nirvana Reserve

### Brief Tasting Notes

**Appearance:**

Deep purple/black

**Bouquet:**

Complex and chocolately, the nose also carries oak char, rich berry fruit and a hint of violet-type perfume.

**Palate:**

This is a wine of elegance, finely structured and delicately balanced (for a pretty full-on little drop). Big, juicy fruits are balanced by savoury, spicy elements in the mouth – its dark plum and licorice wrapped in gently charry oak brought into line with some crisp acid.
