Hugh Hamilton – “The Scallywag”

Brief Tasting Notes

Appearance:
Straw yellow

Bouquet:
Aromas of nectarine and citrus zest with a hint of straw.

Palate:
A sign of a good wine is consistency between aromas and flavours; ‘The Scallywag’ has always shown this feature. It oozes fruity notes, but is still lively and fresh on the palate which is deliberately quite low in alcohol compared to many over-done Chardonnay styles.
