Maxwell –Ellen Street Shiraz

Brief Tasting Notes

Appearance:

Concentrated dark-red and purple colours indicate richness of this premium Shiraz.

Bouquet:

Pure varietal aromas of plum and lifted red berry fruits intertwine with sweet spicy oak and a hint of vanilla.

Palate:

Brooding dark berry flavours persist, complemented by liquorice and mocha highlights. Underlying varietal peppery spice and cocoa combine with these to build a generously weighted and complex palate, supported by the careful integration of American oak. Fine long tannins provide good structure, creating a well-balanced palate of exceptional length.
