Murdoch Hill – Sauvignon Blanc

Brief Tasting Notes

Appearance:

Vibrant pale lemon

Bouquet:

All the distinctive and classic Sauvignon Blanc aromatics – refined grassiness coupled with an abundance of tropical, lychee and gooseberry aromas.

Palate:

The palate shows crisp acidity with genuine varietal flavours and a lively lime finish. A benchmark for a South Australian Sauvignon Blanc showing feisty asparagus, herb, citrus and mineral flavours. Good length and acidity.

Specific Details

Composition:

100% Sauvignon Blanc

Vintage:

2008

Region:

Adelaide Hills

Alcohol Content:

13.2%

pH:

3.01

TA:
